

Preventative Maintenance for Pilots and Planes

FAA Safety Team Lead Representative Joe Hood will discuss aircraft preventative maintenance and those tasks that pilots are authorized to perform themselves without an aviation maintenance technician (AMT). Also, featured speaker Dr. Broadwell, an FAA Aviation Medical Examiner will brief attendees and answer questions regarding pilot medical certification. Dr. Broadwell is very familiar with aging pilot medical issues and draws from his personal experience. Refreshments to follow the seminar! Click on the link below and register TODAY!

Directions: Take US 390 to Exit 5, Commerce Street, East to Airport Road and then Right to Airport Entrance at Maple Street.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
